Third Announcement

Joint JHPS-SRP-KARP Workshop of Young Generation Network

‘The future of radiation protection profession’

Tohoku University
Wednesday, December 4, 2019

Organized by Japan Health Physics Society (JHPS)

**Co-organized by International Radiation Protection Association (IRPA) and
Japanese Society of Radiation Safety Management (JRSM)**

Objectives

Based on the discussions at the IRPA YGN session in the 5th Asian and Oceanic IRPA Regional Congress on Radiation Protection (AOCRP-5), held in May 2018 in Melbourne, Australia, JHPS and the Korean Association for Radiation Protection (KARP) commenced the collaboration of young professionals. JHPS and the UK Society of Radiological Protection (SRP) have launched the collaboration of young professionals as part of UK-JHPS coordination since 2018. The purpose of this joint JHPS-SRP-KARP Workshop of YGN is to encourage the active participation of young professionals and promote the interaction of YGN to help them establish mentoring in their area of interest.
